

System	Components	TCH/106/112	TCH Notes	PTI Needed
System Check	PTI	2	Run PTI	Yes
Electronics	Temperature Switch	0.5	Removal and install new part	Yes
Electronics	Controller	0.5	Removal and install new part	Yes
Electronics	Circuit Breaker	0.5	Removal and install new part	No
Electronics	Transformer	0.6	Removal and install new part	Yes
Electronics	Display Pad	0.5	Removal and install new part	Yes
Electronics	Toggle Switch	0.3	Removal and install new part	No
Electronics	Contactor	0.5	Removal and install new part	No
Electronics	Relay	0.5	Removal and install new part	No
Electronics	Power Receptacle	0.5	Removal and install new part	No
Electronics	Datalogger Replacement	0.5	Removal and install new part	No
Electronics	Cargo Sensor Replacement	0.5	Removal and install new part	No
Electronics	Glycol Sensor Replacement	0.5	Removal and install new part	No
Glycol	Glycol Pump	3	Based on having on/off valves on unit, otherwise customer pays for full tank bleeding	Yes
Glycol	Heater Element Replacement	2	Based on having on/off valves on unit, otherwise customer pays for full tank bleeding	No
Glycol	Glycol Sight Glass	1	Based on having on/off valves on unit, otherwise customer pays for full tank bleeding	Yes
Glycol	Expansion Tank Replacement	1	Based on having on/off valves on unit, otherwise customer pays for full tank bleeding	Yes
Glycol	Float Switch Replacement	1.5	Based on having on/off valves on unit, otherwise customer pays for full tank bleeding	Yes
